Dear Parents and Carers

It is with great pleasure that I can announce that Warrae Wanni, our Prior to School Program, won the community award of $5000 in the NSW/ACT Regional and Community Awards. This award is sponsored by the Commonwealth Bank of Australia. The presentation was held at Wagga over the weekend. This is not the first time this outstanding program has won an award.

Congratulations must go to the team of Mrs Allison Moore, Mrs Megan Partridge and Mrs Jeanine Pascoe who do an amazing job in providing their students with skills and knowledge in early literacy and numeracy, as well as social skills and set their students on the path to succeed when they begin Kindergarten. This program also has a strong parent and community component that is contributing to building a solid partnership between these groups.

This week Year 6 is on excursion to Canberra and Year 5 set out today for the Great Aussie Bush Camp. Our students are fortunate to be able to have these opportunities. Both excursions were subsidised by the school to make costs as fair as we possibly could. I am sure we will be hearing lots of interesting stories from our travellers next week.

Our Kindergarten Transition program continues to attract large numbers of children each week. The parent sessions finished yesterday with many parents commenting on how useful these sessions have been, covering a range of topics with experts such as a speech therapist, occupational therapist and dietician giving wonderful advice. There were also presentations from staff on reading, maths, technology and school readiness. We look forward to working with our new parents next year.

Yours in Education
Karen Rayner
(Relieving Principal)

Congratulations to Kate Rowlands of 5/6C who last week won the Gifted and Talented Students’ (GATS) Program Presentation Award for the primary section. A full article and photo will feature in next week’s newsletter when Kate returns from her school excursion.

Assembly
Next Monday 10th November is a whole school assembly. All parents, family members and friends are warmly invited to attend. The assembly will commence at 2.30pm in the school hall. The assembly item will be by SW.

UNIFORM SHOP IMPORTANT INFORMATION
Our school uniforms are authorized by our school and we sell them at the lowest price possible. Buying your children’s uniforms at the school uniform shop guarantees the money goes back into the school and not into retailer’s profit margin. For those who have purchased uniforms from us already, we appreciate the time you have taken and appreciate that you have supported your child’s school.

I would like to inform you that the uniform shop will be opening in the school holidays for you to purchase uniforms needed for your child to start school in 2015. The uniform shop will be opening on Friday 23rd January 2015 from 9.30am until 2.00pm and Tuesday 27th January 2015 from 10.00am until 1.00pm.

In 2015 we will be open every Monday and Friday from 9am until 10am throughout the year. We are now located in the canteen. There will be a sign out the front of the building letting you know we are open.

We take cash, cheque or eftpos and we also do laybys.

Quote of the Week - Kind words are easy to speak, but their echoes are truly endless.
Our next meeting is Tuesday 18th November 2014 in the School Library at 1.30pm.

The canteen is open 5 days a week this term.
Monday, Thursday & Friday’s 9am - 2pm

Please Note: Tuesday & Wednesday’s only
11.25am - 2pm, only snacks and drinks can be purchased on Tuesday & Wednesday. No food will be cooked or lunches made.

This week’s meal deal winner is Chanelle W 3/4B
Thank you to our wonderful volunteers this week Catherine, Jane & Matthew.
Volunteers needed for Thursday & Friday mornings, please see Megan in the canteen.

TEN WAYS TO BE ACTIVE

1. Actively watch your kids play sport and take the kids to watch you play sport – it’s a guaranteed motivator for more activity and a good conversation starter around the dinner table.

2. Walk dogs with the kids – suggest they ride their scooter or bike instead of walking. If you don’t have a dog, ask to borrow the neighbour’s one.

3. Never underestimate the humble pushbike. Encourage your kids to ride their bike safely around the street or round the block, and go with them to the local park or on established bike tracks.

4. On holidays or weekends at the beach, bring boogie boards, go walking, rock climbing, play in the sand or have a game of beach cricket. (Don’t forget sunscreen and hats.)

5. Go swimming at the beach, the local pool, friends’ places and swimming lessons. If you’re the family with the pool, have your kids invite their friends over for a swim.

6. Ask your child to invite some friends to meet at the local park or oval to kick a ball around. The more people who play, the more active the game can be.

7. Keep a box of sports equipment – balls, frisbees, racquets, flippers and diving mask, quoits, etc – in a plastic container and throw them in the car when you’re going out so you’ve got something on hand to play with wherever you are.

8. Walk to school. If it’s too far, drive halfway and then walk. When you’re picking up kids from school, park a short distance away, walk in and walk the kids back to the car.

9. Get your kids to join Cubs, Scouts or Guides – these organisations do a lot of activities that are not always easy to do as a family, such as wide games (games that use a large area of land), orienteering, bushwalks and rafting.

10. Visit a skateboard park – you can take along a scooter or bike if your kids don’t have a skateboard. They’re good value and your kids learn about turn-taking and spatial awareness by not getting in the way.
1 In and out of the car

To comply with national child restraint laws, your child should be restrained in the car as follows:

0 – 6 months
Approved rearward-facing child car seat
6 months – 4 years
Approved rearward-facing or forward-facing child car seat
4 – 7+ years
Approved forward-facing child car seat or booster seat.

Make a rule that every child passenger must be securely buckled into a seatbelt or child car seat before you start the car.

A sleeping child must remain firmly buckled up while the car is in motion.

Reward your child with lots of praise for good road safety behaviour.

Assist your young child to buckle up – always check the buckle and make sure the belt is not twisted.

Ensure your children always get in and out of the car through the ‘safety door’. This is the rear kerb side door of the car.

Never allow children to get out of the car on the traffic side.

When possible, children should remain in the car until an adult opens the ‘safety door’. This helps ensure that children get out of the car safely.

Children aged between four and seven years cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in a child car seat.

A child that is properly secured in an approved child car seat is less likely to be killed or injured in a car crash than one who is not.

NEVER leave a child of any age in a vehicle without supervision. A small child may rapidly suffer from dehydration, heat exhaustion and consequent organ failure. Older children could play games that may lead to danger.

DOES YOUR CHILD LOVE MUSIC?
THEN COME AND JOIN OUR DYNAMIC
SCHOOL BAND.

Our school would like to encourage new students, who would like to learn an instrument, to be part of our School Band program. If your child will be in Year 2 through to Year 6 in 2015 they are able to join our School Band and apply for a Band Scholarship.

Recently our school received funds for 5 Band Scholarships to be made available to the students from our school. The scholarships are for students who would like to learn one of the following Band instruments – flute, clarinet, trumpet, saxophone, trombone, euphonium, drums or bass guitar. These Scholarships were made possible through the generous support from the Coal and Allied Bengalla Mining Company. Each Scholarship will pay for half of the music tuition fees with the Upper Hunter Conservatorium of Music and as such will make learning an instrument much more affordable for families.

If your child is keen to learn a Band instrument and join our School Band please complete the form below to request information on applying for a Scholarship, lesson fees and instrument hire costs. Please note that application forms for a Bengalla Band Scholarship must be completed and returned to school before FRIDAY 21ST NOVEMBER.

Any further inquiries can be made by contacting Mrs Avery at school.
